We appreciate that you are supporting your students by taking part in Alaska Digital Citizenship Week! We have put together THREE ways to participate in the daily themes which begin on Tuesday. By completing the Curriculum Tutorial on Monday and teaching lessons, you are well on your way to being [Common Sense Certified](#)! Whether you pursue certification or not, you are making an impact on our students' success as members of a digital society.

Choose the activity or combination that best suits you and your students' needs:

1. Teach a 45-minute lesson. Each lesson has three delivery options: low/non tech, iBooks, and Nearpod. If time is tight, teach one suggested specific activity from the aligned lesson (linked in the chart below under Lesson).
2. Show and discuss the highlighted video. This is the way to go if you only have 5-10 minutes to introduce the theme of the day.
3. Share the corresponding Family Tips Sheets (linked in chart).
